

Superior Single-Source Solutions for the OEM Market

TremPro®

INDUSTRIAL PRODUCTS

Sealants

Coatings

Gaskets

Tapes

Tremco provides Original Equipment Manufacturers (OEM) with a comprehensive product line, technical and engineering support, on-site assistance and more than 50 years experience in the industry.

Solutions for Every Application

The complete TremPro line of sealants, coatings, and rubber extrusions helps maximize productivity for OEMs while meeting demanding performance requirements including durable, weatherproof seals for joints and seams; protection against stress and vibration; and chemical, heat and UV resistance.

Streamlined Supply Chain

As single-source provider, Tremco helps simplify material selection and ordering processes, saving time and reducing costs.

Plant Audit and Stakeholder Analysis

Our technical experts offer in-depth plant audits and guidance on product selection based on application and budget demands.

Local Support

With experienced field representatives throughout North America, Tremco is uniquely positioned to provide specification development, problem-solving and assistance on-site.

Custom, Engineered and Small-Batch Solutions

Tremco's advanced R&D capabilities include application-specific product design and custom solutions to meet manufacturing and application specific requirements.

Comprehensive System Testing

Testing to AAMA and ASTM standards is routinely conducted at our state-of-the-art Sustainable Building Solutions Test Facility.

Modular

Solutions for building in a controlled environment where efficiencies of factory production enable better seals, caulking applications and insulation values that on-site construction conditions may not allow. This includes residential as well as commercial structures such as hotel, office, healthcare and educational buildings.

Transportation

TremPro products are regularly specified for stock and livestock hauling trailers, vans, tractor trailers, rail cars and RVs.

Pre-Engineered Metal Buildings

TremPro sealants, butyl tapes and caulks stand up to the extreme joint movement inherent to this type of construction.

HVAC (Heating, Ventilation, Air Conditioning)

When units are assembled, disassembled and reassembled on-site, the proper product is critical for airtight solutions and efficacy of the finished unit.

Wood Structure Manufacturing

Range of solutions to meet the challenges of this market whether it is down time in a pump system or quick-cure application.

Agriculture

From grain bins to combines, TremPro delivers an exceptional seal with extruded rubber, tapes and sealants to keep interiors dry.

OEM Product	Description	Basic Uses		Packaging	Standard Colors
TremPro 626	One-part, medium-modulus, gun-grade, textured polyurethane sealant	<ul style="list-style-type: none"> Lap joints Containers Rail Cars 	<ul style="list-style-type: none"> Truck seams Mobile homes Recreational vehicles (RV) 	10.1 oz cartridge, 20 oz sausage, 5 gal pail	Aluminum, Black, Bronze, Dark Bronze, Gray, Ivory, Limestone, White
TremPro 635	One-part, high-performance, medium-modulus, fast-cure, gun-grade polyurethane sealant, utilizing a solvent-free technology	<ul style="list-style-type: none"> Trailers Campers Specialty Vehicles 	<ul style="list-style-type: none"> Trucks Buses/Trains Pre-engineered buildings 	10.1 oz cartridge, 20 oz sausage	Gray, White
TremPro 638 SSL	One-part, high-performance, low-modulus, semi-self-leveling polyurethane sealant	<ul style="list-style-type: none"> Sloped joints Floor assemblies 	<ul style="list-style-type: none"> Railcar seams Truck utility trailer roof 	1 qt cartridge, 20 oz sausage, 55 gal drum	Gray
TremPro 640 TremPro 642	One-part, liquid, sprayable or brushable polyurethane coatings for industrial use	<ul style="list-style-type: none"> Waterproof the inside or outside of containers 		1 gal can, 5 gal pail	Aluminum
TremPro 644 RTV	One-part, general purpose, acetoxysilicone sealant	<ul style="list-style-type: none"> Glass, aluminum, metal and metal alloys joint sealer 		10.1 oz cartridge	Almond, Aluminum, Black, Clear, Ivory, White
TremPro 644 HT	One-part, high-temperature silicone sealant	<ul style="list-style-type: none"> High temperature situations 		10.1 oz cartridge	High Temp Red
TremPro 645	One-part, high-performance, medium-modulus, neutral-cure silicone sealant	<ul style="list-style-type: none"> Recreational vehicles Cabs 	<ul style="list-style-type: none"> Truck trailers 	10.1 oz cartridge	Aluminum, Clear, Glossy White, Semi-Translucent, White,
TremPro 651	Blend of butyl rubber and polyisobutylene to form an economical, flexible sealant	<ul style="list-style-type: none"> Truck trailers Shipping containers Cabs 	<ul style="list-style-type: none"> Modular homes Bus bodies Railroad 	10.1 oz cartridge, 20 oz sausage	Aluminum Stone (ssgs), Black (ctgs), White (ctgs)
TremPro 655	High-performance, siliconized acrylic latex sealant	<ul style="list-style-type: none"> Trucks and trailers Shipping containers RV utility bodies 	<ul style="list-style-type: none"> Modular homes Buses 	10.1 oz cartridge, 55 gal drum	Aluminum Stone, LV White, White
TremPro 659	One-part, high-performance, elastomeric sealant	<ul style="list-style-type: none"> Modular homes Metal and vinyl trim Perimeter sealing Recreational vehicles Gutter 	<ul style="list-style-type: none"> Siding Roofing Truck trailers Bus bodies Cabs 	10.1 oz cartridge, 20 oz sausage, 55 gal drum	Clear
TremPro JS-773	High solids, non-skinning, non-drying, synthetic butyl elastomer sealant	<ul style="list-style-type: none"> Panel joints Interior panel joints of PEMB panels 		10.1 oz cartridge, 1 qt cartridge, 20 oz sausage, 55 gal drum	Off-White
TremPro 691	100% solid, cross-linked butyl, preformed sealant	<ul style="list-style-type: none"> Lap sealing between panels 		Supplied in rolls of popular sizes and shapes ranging from 1/16" to 3/4" in thickness and 1/4" to 1" in width	Aluminum, Gray, Black
TremPro 696	100% solid, macro-polyisobutylene preformed tape with an integral, continuous EPDM spacer shim	<ul style="list-style-type: none"> Truck trailers Bus bodies 	<ul style="list-style-type: none"> Mobile homes Recreational vehicles Cooling tower applications 	Standard thickness and face clearances: Thickness of tape: 0.150", 0.215", 0.280" Face Clearance of shim: 1/8", 3/16", 1/4"	Black
TremPro Cellular Gaskets	Fabricated into gaskets and accessories for use in sealing and glazing industrial and transportation OEM applications	<ul style="list-style-type: none"> Glazing gaskets Bumpers Air seals 	<ul style="list-style-type: none"> Decorative trim and caps O-rings and specialty extrusions Vehicle glazing systems 	Packaged based on customer requirements, profile size, configuration and the need for molded picture frames	Black
TremPro EPDM Gaskets	Extrusions fabricated into gaskets and accessories for use in sealing and glazing industrial and transportation OEM applications	<ul style="list-style-type: none"> Glazing gaskets Bumpers Air seals 	<ul style="list-style-type: none"> Decorative trim and caps O-rings and specialty extrusions Vehicle glazing systems 	Packaged based on customer requirements, profile size, configuration and the need for molded picture frames	Black
TremPro Neoprene Gaskets	Extrusions fabricated into gaskets and accessories for use in sealing and glazing industrial and transportation OEM applications	<ul style="list-style-type: none"> Glazing gaskets Bumpers Air seals 	<ul style="list-style-type: none"> Decorative trim and caps O-rings and specialty extrusions Vehicle glazing systems 	Packaged based on customer requirements, profile size, configuration and the need for molded picture frames	Black
TremPro SCR-900 Gaskets	Silicone Compatible Rubber Extrusions (SCR) fabricated into gaskets and accessories for use in sealing and glazing industrial and transportation OEM applications	<ul style="list-style-type: none"> Glazing gaskets Bumpers Air seals 	<ul style="list-style-type: none"> Decorative trim and caps O-rings and specialty extrusions Vehicle glazing systems 	Packaged based on customer requirements, profile size, configuration and the need for molded picture frames	Black
TremPro Silicone Extrusions	Silicone Dense Rubber Extrusions fabricated into gaskets and accessories for use in sealing and glazing industrial and transportation OEM applications	<ul style="list-style-type: none"> Glazing gaskets Bumpers Air seals 	<ul style="list-style-type: none"> Decorative trim and caps O-rings and specialty extrusions Vehicle glazing systems 	Packaged based on customer requirements, profile size, configuration and the need for molded picture frames	Black
